

**Emergency Conservation Assistance Program
(ECAP)**

**Hay/Pasture Planting Application
2009**

The District will provide 50% cost-share to seed hay/pasture ground. All practices must follow the NRCS Field Office Tech Guide Standards and Specs. Plantings must be completed between March 1 – May 15th or Aug. 1st – Sept. 15th for cool season grasses.

NOTE: There is a \$1000.00 cap for each landowner.

Name: _____

Address: _____

Phone: _____

Tract # _____

Field # _____

of acres _____
